

Mandatory items for creating aws free tier account:

1. New email id
2. New debit card
3. You have to provide your identity like PAN Card, Credit card statement or any other address or ID proof
4. Make sure that you are giving all right details like your name, dob, mobile no, address and so on ..

A screenshot of the 'Sign up for AWS' form. The form includes a section on the left titled 'Try AWS at no cost for up to 6 months' with a rocket icon. The main form area has the following fields and buttons: 'Root user email address' (with a red box around the email input), 'AWS account name' (with a red box around the name input), and a 'Verify email address' button (highlighted in orange). Below these is an 'OR' section with a 'Sign in to an existing AWS account' button. The AWS logo is at the top center.

Try AWS at no cost for up to 6 months

Start with USD \$100 in AWS credits, plus earn up to USD \$100 by completing various activities.

Sign up for AWS

Create your password

✔ It's you! Your email address has been successfully verified. ✕

Your password provides you with sign in access to AWS, so it's important we get it right.

Having trouble? Sometimes it takes up to 10 minutes to retrieve a verification code. If it's been longer than that, [return to the previous page](#) and try again.

You are not eligible for the free plan

Your information is associated with an existing or previously registered AWS account. Free plans are exclusive to customers new to AWS. You are being upgraded to a **paid plan**, which means:

- You have access to all AWS services and features.
- Your account does not receive the USD \$200 in credit (\$100 new account credit + \$100 for completing account activities).
- Charges are based on pay-as-you-go pricing. You will be billed and charged monthly for any usage beyond Free Tier limits, or upon expiry of the [Free Tier offers](#), at the rates on the [AWS pricing page](#). You can view costs, manage usage, terminate resources, or close your account at any time through the AWS Management console.

☐ I agree that by choosing **Confirm**, I am signing up for a **paid plan**. I am responsible for all charges incurred on my AWS account.

Confirm

Note: If you have given all the brand new details like name, address, mobileno, debit card, pan card and so on Then you will get a message of free tier activation otherwise you will get a window like above.

Just ensure you are giving all right, new details for free tier eligibility ...

Sign up for AWS

Select a support plan

Choose a support plan for your business or personal account. [Compare plans and pricing examples](#)
You can change your plan anytime in the AWS Management Console.
