

5. What is the future of the solution?

7. What is the final result?

8. What is the final result?

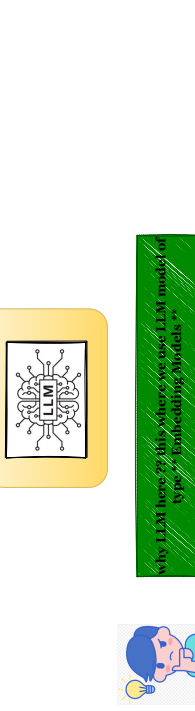

9. What is the final result?

10. What is the final result?

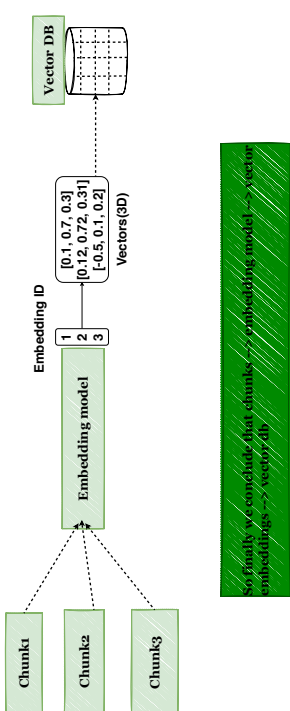

11. What is the final result?

12. What is the final result?

13. What is the final result?

15. What is the final result?

17. What is the final result?

18. What is the final result?

19. What is the final result?

20. What is the final result?

21. What is the final result?

22. What is the final result?

23. What is the final result?

24. What is the final result?

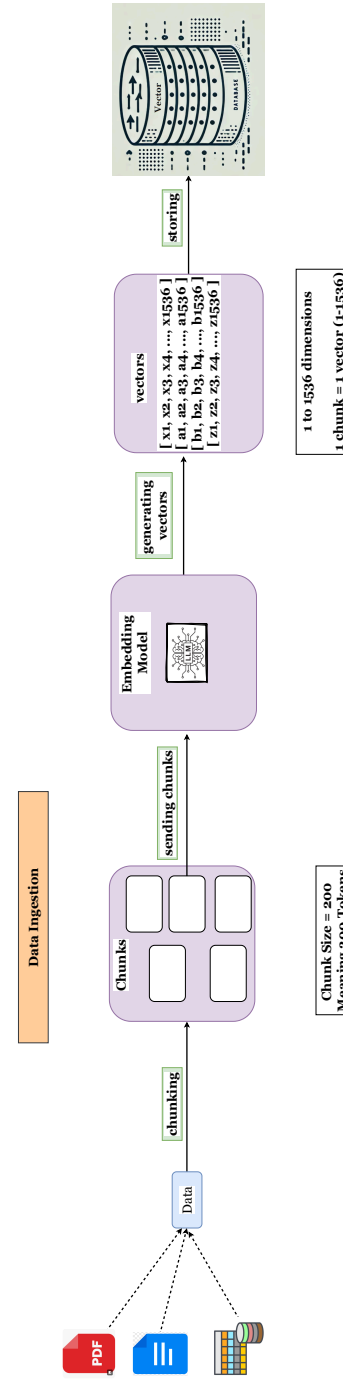

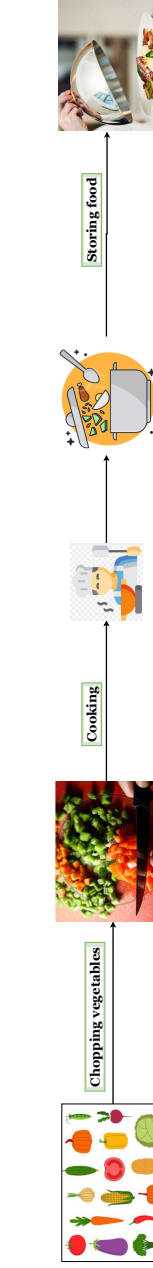

25. What is the final result?

26. What is the final result?

27. What is the final result?

28. What is the final result?

29. What is the final result?

32. What is the final result?

33. What is the final result?

34. What is the final result?

35. What is the final result?

36. What is the final result?

37. What is the final result?
